*Setting – INT – LATE - Pizza Shop – Daisy is mopping up as Kat walks in*

Kat-

Hi, Dais.

Hey, I'm sorry I didn't show up.

I said I'm sorry. Why are you being such a bitch about it?

Daisy-

Right, I'm a bitch and you're an angel, no matter what happens. It should have been stamped on our birth certificates.

Kat-

What the hell's the big deal. You unload shifts on me all the time.

Daisy-

You knew I was supposed to meet Charlie's parents.

Kat-

Dais, I'm sorry I forgot.

Daisy-

Tim needed you ,right? Just what the hell do you two do together?

Kat-

If I told you, It would sound stupid.

Daisy-

It would sound pathetic. Daddy's boffing the babysitter. It happens all the time.

Kat-

We talk. We read. We listen to Mozart sometimes.

# MYSTIC PIZZA

Daisy-

You really believe this 30 year old guy is going to leave his wife and live with you? You're living in a fucking romance novel, Kat.

Kat-

Oh, yeah. Boffing, fucking, screwing--- The great Daisy, nobody's fool. Why don't you take cash for your services. It would be more honest!

(Daisy slaps Kat)

Daisy-

Wipe your conscience.

(Daisy leaves.)

Kat-

Shit!
