

INT. NIC & JULES' BATHROOM - NIGHT

Jules is brushing her teeth. Nic walks in.

JULES

You and Paul are getting along like gang-busters.

NIC

You're sleeping with him, aren't you?

JULES

What?

NIC

Just be honest with me, okay? Don't make me feel crazier than I feel right now.

JULES

Where is this coming from? I don't...

NIC

Well, I found your hair in this drain.

JULES

Because... because I was working, and I got dirty, and I took a shower.

NIC

Yeah? Did you take a nap, too?

CUT TO:

INT. NIC & JULES' BEDROOM - NIGHT

NIC

Are you in love with him?

JULES

No. No.

NIC

Are you straight now?

JULES

No. It has nothing to do with that! I've just felt so far away from you lately.

NIC

Oh, right. So it's my fault?

JULES

No! Who said anything about fault?
Just listen to me!

NIC

I'm listening! What?

JULES

I just... I just... I needed...

NIC

What? To be fucked?

JULES

No. Appreciated.

NIC

Well, it's always what I'm not
doing for you, isn't it? Well,
okay. Here's what I don't do to
you. I don't work out my issues by
fucking other people.

JULES

He's not just "other people."

NIC

No. He's our sperm donor. You
couldn't have picked a more painful
way to hurt me.

JULES

Where are you going?

NIC

I need water.

Nic opens the door to their bedroom and their kids are in the
hallway listening.

NIC (CONT'D)

Oh. Shit. Shit

Nic exits the room.
