

LANA

Can I come sit by you? Do you hate me?

(Brandon shakes his head no)

LANA

Do you need anything? God...you're so pretty

BRANDON

You're just sayin' that 'cause you like me

LANA

What were you like...before all this. Were you like me? Like a girl-girl

BRANDON

Yeah. Like a long time ago...and then I guess I was just like a boy-girl.  
And then I was just a jerk. It's weird, finally everything felt right...well that's pretty weird, huh?

LANA

Yeah. That dream I had, the first night? We were on the highway together. We could still do it.

BRANDON

Lana, I um...look I never been on a highway, or to the grand canyon, or any place like that. Until here, I never even been outta Lincoln. I never even met my Dad. He died before I was born. And my sister ain't no model out in Hollywood

(Lana kisses Brandon)

BRANDON

Um...I was wondering if you wanna come home to Lincoln with me. My Mom, she'll love you. And you gotta meet my cousin Lonnie. He's a pain but he's great.

LANA

When are we going?

BRANDON

We'll have to leave tonight but Candice said she'll drive us.

LANA

Alright...I better get my stuff then. Bye
